

**CCFG Scotland Meeting to Craigvinean, Dunkeld
Thursday 19th September 2019
09.30-16.00**

Craigvinean, managed by Forestry and Land Scotland, was last visited by the CCF Group in 2007. This visit will be an opportunity to see how the forest has changed in the intervening years in response to management, wind and disease. Discussion should include topics such as first thinning intervention, dealing with variable natural regeneration and responding to windblow.

Meeting point

The Dunkeld office of the East Region (Formerly the Tay Forest District office).

GR NO 0180 4215

Tea and coffee available between 9.30 and 9.50am.

WC available at office only.

Some cars can be left here so that we can reduce the number of vehicles going into the forest.

Time

Meet at 9.30am for a 10.00am departure.

The morning will involve a walking tour on forest roads and paths, as well as in the woods, of approximately two miles.

Please bring outdoor clothing and footwear suitable for walking on rough ground. The footwear should be clean. We will provide washing and disinfecting facilities at the end of the day.

Remember to bring your own lunch which will be eaten in the forest.

Booking

People interested in this visit are advised to contact the CCFG administrator by email administator@ccfg.org.uk.

Please note that the number of attendees will be limited to 40 and a first come, first serve booking system will be adopted. Once this ceiling has been reached any additional attendees will be placed on a waiting list. The visit is free to members and students and £15 for guests.
